

Stephen Haynes
Managing Director & Owner
ORSETT HALL HOTEL

would like to take this opportunity to send my sincere apologies to all the forthcoming events, especially Wedding Receptions, that were due to hold their functions at Orsett Hall.

Unfortunately, my staff are still working off one telephone line, from my dining room table in my house, but hopefully this will change by the end of the week.

This is a small privately owned hotel and my staff are trying to do everything they can and believe that most Weddings have been placed for the Summer months.

Deposits will be refunded as soon as possible, obviously, the nearest function / reception will be paid in priority.

We hope to be holding Summer Functions in our Marquee as near as sometime next month.

I realise this is an upsetting time for all our Brides and Grooms, when they can not have their Wedding at Orsett Hall, but do also spare a thought for all the staff that work at Orsett Hall and that we have made it into one of the biggest Wedding Venues in Essex.

Orsett Hall has been myself and Lynn's life for over 14 years, and it is our intention to re-build the hotel by this time next year.

In the meantime, could I ask all couples to forward any pictures from their day to us along with any comments about their Wedding Day at Orsett Hall as I am sure this would help my staff continue their efforts during these trying times.

Once again, from my heart, I send you my sincere apologies and please be patient with us.

Kind regards.
